

British Values at Teddington School

At Teddington School we actively promote positive inclusive values. These include democracy, the rule of law, individual liberty, and mutual respect for and tolerance of those of different faiths and beliefs. We believe British values are those values expected of anyone living in Britain, regardless of their nationality, culture or religious belief. Our ethos reflects these values.

We strive to support our students to develop into confident, happy, successful young adults who have empathy towards and an understanding of others. We expect all of our students to behave with integrity- upholding moral principles.

The PSHE, RSE and Tutor Programmes all reflect how Teddington School works to promote positive values through the ethos and life of the school through a broad and balanced curriculum. Assemblies are used to support students in reflecting on British Values and how they are represented in our school and the wider community.

If you require additional information about promoting British values and preventing extremism or radicalisation please explore the following link which has a section specifically for families: <http://www.educateagainsthate.com/>
